## ARENA ACCESS

Public Will Call is located at the South entrance and opens ninety (90) minutes prior to tipoff. All public doors open ninety (90) minutes prior to tipoff for men's basketball and sixty (60) minutes for women's games.

## ARENA BAG POLICY

This policy reflects the university's ongoing commitment to recommendations from the Department of Homeland Security. "Bags are not permitted except those bags required for child care or medical conditions, and purses no larger than 14" long (side-to-side) x 10" wide (front to back) x 10" deep (top to bottom). All purses allowed into the area will be searched. Containers measuring 14" long x 10" wide x 10" deep will be placed at each entry to Bud Walton Arena, shuttle pick up locations and selected parking lots. Purses that do not fit into the container will not be permitted inside the arena."

## BUD WALTON ARENA

The Razorbacks played in Bud Walton Arena for the first time in November, 1993. Designed to replicate the intimate and intimidating atmosphere of Barnhill Arena, the result was a fan-friendly 19,200 seat arena whose acoustics focus the roar of the Razorback fans to the floor. Among the other features are 48 private skyboxes, a lower-level capacity of 12,250 and the furthest seat closer in Walton than the worst seat in 9,000-seat Barnhill.

Bud Walton Arena houses a deluxe museum on the ground floor that includes a tribute to Arkansas men's basketball 1994 NCAA championship and multiple Final Four appearances, Arkansas women's basketball 1998 NCAA championship team, as well as the history of Razorback basketball and much more. To celebrate its 10th anniversary, Walton underwent a multi-million dollar renovation highlighted by a new custom scoreboard in the shape of a basketball hoop. Featuring four video screens and an LED ring at the top used to display game statistics. In 2008 Walton Arena underwent another upgrade when the lower bowl sideline seats were upgraded and ribbon boards were added. See Bud Walton Arena diagram located in Appendix B.

## CAMERA POLICY

Point-and-shoot cameras are permitted inside the arena. Professional camera equipment, selfie sticks, camera bags or cameras with telephoto lenses longer than six inches and video cameras are prohibited inside the arena.

## CONCESSIONS

The concession stands located throughout Bud Walton Arena offer a great menu for fans. See Bud Walton Arena diagram for locations. No outside food or beverages are permitted. Sodexo now has the ability to accept credit card payment at all permanent concession stands throughout the stadium. Fans may use their Visa, MasterCard, Discover, American Express, Diner's Club and JCB credit cards. Debit cards are also accepted provided they are set up to scan as a credit card transaction that does not require a P.I.N. code.

## E-TICKETS

Razorback E-Tickets, a customer friendly interactive digital ticketing-solution, was implemented starting with the 2012-13 University of Arkansas basketball season. With the change to digital ticket scanning, Razorback basketball fans will benefit from the heightened protection against counterfeit tickets and can take advantage of new digital ticketing services including print-at-home single game tickets and ticket transfers for season ticket holders. Bud Walton Arena, like many other college and professional venues, will scan all tickets using a bar-code on each ticket to verify admission. Scanning will identify counterfeit and stolen tickets and provide improved security and service. Help windows will be located in the arena to help fans with any ticket scanning issues or to answer questions regarding the technology. It is recommended that fans plan on arriving earlier than normal to avoid any delays in entering the arena in the initial implementation of the new digital ticketing system.

## EVACUATION

In case of evacuation, instructions will be given over the public address system. Arena personnel and ushers will assist directing fans to the appropriate exits.

## EXITING AFTER GAMES

Guests will leave the facilities via the main exits. No guests are permitted on the arena floor.

## FAN CODE OF CONDUCT

Razorback fans are the best of the best. They model this by loudly supporting the Razorbacks and displaying respect and good sportsmanship toward the visiting team and visiting fans. The NCAA, SEC, and UA have assigned a high priority to assuring athletic events are conducted in a safe and enjoyable atmosphere which promotes good sportsmanship by spectators, student-athletes and coaches. We request cooperation by supporting the participants, officials, those around you, and event management in a positive manner and treating others with courtesy and respect.

If any patron requires first aid, there is a First Aid Station on the West Concourse across from Section 108 in Room C-164.
