WENDI WILLITS

Three-Pointers

Since the introduction of the bonus basketball for women's basketball in 1986, Arkansas has been home for some excellent 3-point shooters throughout the program's history. The pioneer of the 3-ball at Arkansas is Fort Cobb, Oklahoma native, Wendi Willits (1997-01). Willits broke the Arkansas career records of Kimberly Wilson early in her senior year, finishing her career just shy of the old SEC's all-time record held by LSU's Cornelia Gayden (now held by Alexis Rock of Mississippi State). In the SEC, Willits currently ranks tied for fourth in 3-pointers in a game (9), sixth for 3-pointers made in a season (104), fourth for career 3-pointers made (316) and ninth for career 3-point field goal attempts (771). Both prolific and accurate, she is the record holder in career 3-point field goals, as well as No. 3 in attempts and percentage for a career at Arkansas. In 1999, she was top five in the NCAA in both 3-pointers per game and percentage, earning her the Ed Steitz Award as the nation's top female 3-point shooter. Since Willits, Arkansas has had lethal outside shooters, such as Amber Ramirez, Chelsea Dungee, Alexis Tolefree, Chrissy Carr and Jessica Jackson, among others.

AMY WRIGHT

Career Assists and Consecutive Games Played

Recruited from Williamsburg, Indiana to become the next great point guard in Arkansas history, Amy Wright did not disappoint. A starter at the point from her first day at Arkansas, she broke the freshman assist record of her immediate predecessor, Christy Smith, and never looked back. Assists became her passion, and Wright rewrote the Arkansas record books in her four seasons, removing both her coach and Hall of Honor member Amber Nicholas Shirey and Smith from almost all the major records. Her 172 assists as a freshman led Arkansas to the WNIT Championship and was the closest anyone had come to Donna Wilson's 1988 season record. Her junior season, Wright crushed Wilson's mark with 198 to take Arkansas to the second round of the NCAA tournament. By the end of her career, the only assist records Wright was breaking were her own, including 205 her senior season. Closing her career with 717, she has almost 200 more assists than the former career leader Nicholas Shirey. Wright had more double-digit assist games than any other player and became the first player in recorded Razorback history to get the hard double of 10 assists and 10 rebounds (versus Mississippi State as a junior). In her four seasons, she never missed a game, playing 131 consecutive to break Sytia Messer's mark of 128. Of all her statistics, the one that is impressive is being the first point guard at Arkansas to lead her team to four consecutive postseason berths, something current point guard Makayla Daniels has now also accomplished. After closing her playing career with WNBA draft camp, Wright spent one season with Arkansas in marketing before becoming an assistant coach for the 2003-04 season at South Florida and then 10 seasons as an assistant coach at Texas A&M. Wright is currently in her first season at the head coach at Long Beach State.

DELMONICA DEHORNEY

Career Blocked Shots, Field Goal Percentage & Free Throw Attempts

While her mark in the career record book is for blocked shots, Delmonica DeHorney is one of the greatest inside players in Razorback history. She was second only to Bettye Fiscus in points until 2004, and she was the first, and to date the only, Razorback to earn Kodak All-America honors. DeHorney also is the most accurate shooter in school history for a season or career. In fact, she set the season shooting record in three of her four years. A back-to-back SWC Player of the Year, she led the SWC in scoring and Arkansas to consecutive league titles. The SWC Newcomer as a freshman, she was the only player in SWC history to earn three league awards. She shattered the previous blocked shot records and became the career leader after her junior year. In one season, 1989-90, DeHorney had more blocks (83) than all but two players in school history had for their careers. DeHorney went on to play professionally in Japan after completing her four-year career at Arkansas.

Of her 235 career blocks, the three most important in DeHorney's career came in the first half of the Feb. 23, 1990, game at Texas. All three came against UT's star forward Susan Anderson, shutting down the Lady Longhorns' inside game and allowing Arkansas to take a 38-31 halftime lead. UA went on to break UT's 183-game SWC winning streak with the 82-77 win.

SHELLY WALLACE

Career Rebounds

Shelly Wallace's career parallels Arkansas' rise to national prominence, leading the Razorbacks to their first NCAA playoff berth and the 1987 Women's NIT title. Wallace made her biggest record impact with rebounding. She is the only Arkansas women's basketball player to go over the 1,000 mark in rebounds and one of only two in Southwest Conference history. She has gone down as Arkansas' greatest double threat. Wallace was the first -- and one of two all-time -- player to average in double figures in points and rebounds for a season (16.5 PPG, 11.8 RPG in 1987-88). She also is one of only three players to score over 40 points in a game, setting the school record with 44. She left Arkansas having the most 30-plus games (seven) of any player until Chelsea Dungee (2018-21) broke that with 14. Wallace was an honorable mention Kodak All-American as a senior.

BUD WALTON ARENA RECORDS

THE BASKETBALL PALACE OF MID-AMERICA

Arkansas has played in Bud Walton Arena – The Basketball Palace of Mid-America - for 30 years and has defended its home court well with a 325-132 (.711) record since the doors opened.

When Arkansas joined the Southeastern Conference in August of 1990, then-Razorback Athletic Director Frank Broyles knew the athletic facilities had to be upgraded to contend in America's most nationally competitive league. His attention turned immediately to basketball. One day, Bud Walton, co-founder of Walmart, visited Broyles and asked him what Arkansas needed most to be competitive in the SEC.

Broyles mentioned the need for additional basketball seats and was asked by Walton what a new arena would cost. The figure $30 million was discussed and Walton offered to pay half. From that visit, Bud Walton Arena was born. Groundbreaking to grand opening was accomplished in a remarkable 18 months.

Eye-catching displays that were recently updated on the concourse level salute Razorback highlights. Enhancements prior to the 2009 season included the addition of courtside seating, electronic signage at the scorer's table, new retractable seats in the lower level, electronic ribbon boards along the bottom of the upper deck, replacing the Razorback on the court with the classic Razorback logo and opening up the student section by converting it from chairback seats to benches. Eight suites were added prior the 2008 season, raising the total to 47.

A crowd of 8,292 came to support the Razorbacks and Amber Ramirez's Senior Day against Kentucky on Feb. 20, 2022.

The Razorbacks received an expanded locker room in 2013 and includes a lounge with a spacious meeting area. In the summer of 2015, a $4 million investment was made to the arena to maximize fan experience. Fans enjoy a updated center hung video board with four LED displays that gave Bud Walton Arena the largest video display of any basketball facility in the country at the time.

To go along with the visual enhancements, a new sound system was also installed to enhance volume and clarity for every seat in the arena. As captivating as the displays, museum and championship banners are, the aspect of the facility demanding the most attention is spirit. Every game still produces an NCAA Tournament-type atmosphere with the exception of the crowd, which is anything but neutral. According to Rosser International in Atlanta, when the arena was built, there were more seats in less space than in any such facility in the world. It's no wonder the noise level can be absolutely ear-splitting. From pregame to postgame, Bud Walton Arena is perfectly choreographed with the band, the spirit groups, the lighting system, the public address, the scoreboard and the team. Each game at Bud Walton Arena is a rich experience, leaving Razorback fans hungry for more.

Arkansas hosted the 1994 NCAA Midwest Regional during Walton Arena's inaugural season. In 1995, the Razorback women's basketball team hosted all four rounds of the Preseason Women's NIT -- thanks in large part to the excellent accommodations provided by Bud Walton Arena. It all paled in comparison to the 1999 Women's NIT as Arkansas hosted all five rounds of the postseason event, including an all-time UA and then WNIT record 14,163 fans for the championship game versus Wisconsin. The 1999 WNIT semifinals and finals alone saw over 23,000 fans attend the two games, helping the Razorbacks to a new all-time attendance record of 77,001 total fans. Arkansas also hosted four rounds of the 2000 WNIT at Walton, while hosting three during the 2019 and 2023 WNITs.

BARNHILL ARENA RECORDS

A TOUGH PLACE TO PLAY

It seemed appropriate the final basketball event at John Barnhill Arena was a women's basketball game and a women's basketball banquet.

As fate would have it, it was a girls' basketball game back in 1977 that was the first hoops contest played in the newly renovated and expanded home court for Razorback men's and women's basketball.

Betsy Broyles' Fayetteville High team played days before the first men's or women's college game in what would become known as one of the most feared home courts in modern collegiate basketball.

The next year, Betsy would become the first high school recruit to accept a scholarship to play women's basketball at the University.

On Dec. 7, 1993, Betsy and over 30 former letterwinners returned for A Moment in Time, a banquet to honor women's basketball in Barnhill. It was the evening prior to the women's opener in Bud Walton Arena against DePaul.

During the 17 years between her first and most recent appearances in Barnhill, The Barn was the site of many great moments of women's basketball history.

Arkansas was undefeated in its first home season (6-0) and in three subsequent years (1981-82, 1982-83 and 1990-91).

The women's basketball team set its home consecutive win streak at 21 games from 1981 to 1984. That streak was broken with 23 in the early 1990s, and for a brief period of time, Barnhill Arena was the home of the longest active women's home winning streak.

Since the start of the NCAA era in 1982-83, only eight unranked teams managed wins in Barnhill (out of 118 who tried). Some 194 women's varsity collegiate basketball games were played in Barnhill Arena, with the last game a 96-60 win over Oral Roberts on March 1, 1993. The last varsity basketball game played at Barnhill was a women's contest as Arkansas won an exhibition game over the Bulgarian team of Levski Total, 83-81, on Nov. 16, 1993.

The Spirit of Barnhill lives on both at Bud Walton Arena, and at Barnhill. "The Barn" received a new tenant in 1994 with the start of varsity volleyball at Arkansas. Thanks in large part to its home court advantage, the inaugural Razorback volleyball team won the SEC Western Division title providing a new banner for the old rafters. Gymnastics enjoyed a similar Barnhill boost in 2006. With the inaugural senior class, Arkansas upset national powerhouse UCLA to advance to the NCAA Championship at the Barnhill-hosted NCAA South Central Regional.
